

A note about the Mayoral Forum from Together Edison

Prior to participating in the recent Edison Mayoral Forum*, both participating candidates signed an agreement prohibiting their use of excerpts or edited snippets from the video recording of the Forum without the express consent of the sponsors. Deliberate attempts to edit the video recording of the Forum for partisan political purposes gives misleading impressions of a candidate's statement or positions on issues, violates the agreement, and does a grave disservice to the Edison community. Viewers are cautioned to get their understanding of a candidate's position on issues from watching the entire video recording, rather than relying on information in a campaign ad. The Mayoral Forum can be viewed on Edison TV and the archived video section of the Edison Township website, as well as the following sites:
